OPTIFAST VLCD Bars are part of a nutritionally complete, very low calorie diet program, which contains all the essential nutrients required for safe and effective weight loss.

Our OPTIFAST VLCD Bars range provide complete nutrition and come in a variety of great tasting flavours for you to enjoy.

Every bar contains 24 essential vitamins and minerals to assist with safe and effective weight loss on the OPTIFAST Program. High in protein and a source of fibre, these bars offer convenient nutritious drinks that can be consumed in place of a meal.

If you don't have time to prepare a shake or simply love a bar - OPTIFAST VLCD Bars are a great option that can be enjoyed any time of the day and on-the-go!

The OPTIFAST Program is scientifically designed to help you achieve effective weight loss results. Whichever program level you're on - OPTIFAST VLCD Bars can be used to replace one, two or three meals. If you like to mix it up, look at our variety of OPTIFAST VLCD Shakes, Soups, and Desserts and build a mix of meal options that suit your preferences and taste buds. This means you can eat, drink or sip and enjoy!

Download our free OPTIFAST My Program App on your mobile device to help monitor your weight loss progress whilst on the OPTIFAST Program. More information is available at www.optifast.com.au

OPTIFAST VLCD is classified as a very low energy diet (VLED) and not a formulated meal replacement. A VLED can be used as a total diet replacement, meaning you can replace all 3 meals with specially formulated very low energy products, such as OPTIFAST VLCD products. With a formulated meal replacement, you can only replace 1-2 meals per day and cannot be used as a total diet replacement.

Dietary management of overweight and obesity

Low Glycemic Index (GI):

- Chocolate: 19
- Berry crunch Flavour: 28
